Devore: a new line in three varieties — chocolate-covered peanuts (80 g and 400 g packs), chocolate-covered peanuts with a colorful candy coating (80 g and 400 g packs) and chocolate-covered cereal balls (30 g and 500 g packs).

Bel Chocolates (cont.)

Mini Bel's: traditional marshmallow filling and a crispy wafer shell, in milk and white chocolate versions. Also available in a premium version that has smaller portions with fewer calories and a low fat content.

CoberTop Gourmet: gourmet chocolate for cooking and baking, in milk, dark and white varieties. In 1 kg bars.

Moranguete Ball: crunchy cereal confections with strawberry filling and chocolate coating. In 30 g

Bel Chocolates (cont.)

and 500 g packs. May also be used as decorations on desserts.

Moranguete: available in a new flavor of strawberry with white chocolate coating. Available as a single bar or in a 180 g presentation box.

Balas Boavistense *Brazil*
Tel: +55 (51) 3710 2551
www.boavistense.com.br

Kendy: round candies with a soft strawberry yogurt filling and a slightly crunchy coating. Sold in 600 g packages.

Balas Boavistense (cont.)

Tuntz: a cherry-flavored round lollipop filled with raspberry-flavored chewing gum. Sold in 600 g packages containing 50 lollipops.

Vamp Kiss: black lollipops with a white design of fangs that transfers as an instant tongue tattoo. The 10 g raspberry-flavored pops are sold in 500 g packages.

Actis: Boavistense's first sugarfree candy, in citrus, mint, red fruits and green grape flavors. High in vitamin C and fiber. Sold in 40 g tins.

Bala Banzé Iogurte: Banzé soft candy line is extended with three fla-
